## To whomsoever it may concern

This is to certify that I have personally known Mrs. Sheela Sharma ji since 2012 and have seen her dedication in the field of literacy.

Because of her efforts and perseverance she has been able to get children from the backward tribal area of Udaipur back to school. Her effort goes beyond education she ensures that the children of her school come out as proud and honourable future of India.

I have no hesitation in recommending her name for the prestigious Literacy Awards.
