### TO WHOMSOEVER IT MAY CONCERN

This is to certify that I personally know the applicant / organisation (Council for Creative Education) nominated for Literacy Hero Award for many years and recommend their work in education field.

We are associated with the organisation since long duration. So far we have conducted following workshops in collaboration with CCE and got excellent feedback/response from participants who have participated in these various workshops.

- 1) Creativity in Education (2 days workshop) - 2014
- 2) Finland Education Model in contest with Indian Education model - 2015
- 3) ICT in Education (2 days workshop) - 2015
- 4) National Seminar on Creative Education - 2017

I personally wish them all success in their endeavours.
