Dear Sir,

Sub: LETTER OF RECOMMENDATION

I know Sphoorti Foundation through Mr. Srivyal Vuyyuri, for a long time and am impressed by their dedication and outstanding commitment towards creating awareness on Literacy for the under-privileged and orphan children.

I would personally recommend them for the LITERACY HERO AWARDS 2017.

I would like to congratulate them for the past and present work they have done towards Literacy and also in their future endeavours.

Warm Regards,
