## To whomsoever it may concern

This is to certify that I personally know Mrs. Sheela Sharma and her work since August, 2005. She is Head Mistress of Government Upper Primary Sanskrit School Rampura, Udaipur. She has excelled in performing her duties with full dedication.

She got allotted 8000 square meters of government land free of cost for the school. She also got constructed school building and playground along with boundary wall with the help of various government schemes. Prior to this the school was running in rented premises with little facilities and few students.

She has also got constructed basic amenities such as a tube well for water, separate toilets for girls and boys etc. The teachers of the school have done nice painting work on the walls with educational material. She motivated the kids to attend school regularly thus reducing the dropout rate almost to zero.

She holds teachers and Parents meeting regularly to review the progress of the students of her school. She also gets monthly health checkup of all the students of her school.

She is promoting the Swachh Bharat Abhiyan in true sense by providing cleanliness in her school in all respects. She herself arranges cleanliness material for the students from her own resources to inculcate the habit of tidiness and cleanliness. She has also arranged hundreds of pots where in she has got planted many flowering and decorative plants. Kids are also encouraged to make wall paintings rangoli etc.

Her School is the first Sanskrit school in Udaipur district where Mid day meals was started.

She has done a commendable job. I recommend her for the Literacy Hero Award.

(Dr. R. P. Sharma)
